DISARM FUNDING MOTION

In February 2000, the Probation Department implemented Developing Increased Safety through Arms Reduction Management (DISARM) program. This program pairs Probation officers with local law enforcement to perform unannounced searches of the homes and persons of probationers whose conditions of probation allow for such searches. This program is targeted at confiscating guns, drugs and other contraband from probationers prohibited from possessing these items.

Since the inception of this program, over 45% of the probationers were in violation of their parole and 778 weapons have been confiscated. Nearly \$2.5 million of illegal cash and drugs have been confiscated which includes 18 pounds of cocaine, 150 pounds of marijuana, 2 pounds of methamphetamine and small amounts of heroin and PCP.

I, THEREFORE, MOVE THAT the Board of Supervisors instruct the Chief Administrative Office to identify \$1,000,000 in additional funding for Probation's DISARM program.
